We want you to see for yourself how closely we cleave to the line of truth in placing this advertisement of which facts and values before you. That's a good piece of advice to follow. The claims of the various clothing stores (what they do for you and why they should have your preference) are so many and varied they really be wilder one. It's hard to say which claims the most. The sale about to be conducted by us his nothing about of all that savors of DOUIT, EXACLER ATION OR SINSATION (unless it be the sensation) in prices we are making). It is burely a boundide offer easily understood. There is reason for this sale, not a flim-yone, made up for the occasion not a sale of old and ends, job lots (shipped in for the occasion) and out of date styles and low prices but a sale of reliable stylish and reputable merchandlese sold by a reputable him. You will find that it is something more than in ordicity sale. It is in opportunity a chimor, an occasion whereby those who increase the fact of the sale of the interval of the interval of the interval of the county to the days are a tremendous loss.
